

Chicago Alternative Policing Strategy Neighborhood Watch Program

The safety of your community depends upon you and your neighbors. The more involved and visible you are, the less attractive your neighborhood is for criminals.

CAPS (Chicago Alternative Policing Strategy) offers many ways for you to become a partner with your neighborhood police officers in the fight against gangs, drugs, and other crime. Displaying this Neighborhood Watch sign is an important first step. To find out more about how to join your neighborhood CAPS team, call your district Neighborhood Relations office or 311.
