
Mike,

This evening the Unity Park Advisory Council voted to replace Jane Heron as our representative to the 35th Ward Zoning Advisory Committee, effective immediately. Our newly elected representative is Melissa Stanley, 3804 W. Wrightwood, who also is beginning her second term as UPAC secretary. Please contact Melissa at her email, shown above, and let her know when and where you meet, and anything else she needs to know.

Thanks,

Joel Monarch
